Review Committee
National Academy of Osteopathic Medical Educators
SOME/AACOM

Dear Committee Members:

Please accept this application for nomination for fellowship in the National Academy of Osteopathic Medical Educators in the Leadership in Medical Education Category. My professional goals are consistent with the goals of the academy:

- To serve as a mentor in the Osteopathic Profession for learners and educators;
- To actively participate in the network of educators promoting collaboration and share to advance the Osteopathic profession.
- To serve and engage as thought leaders for osteopathic teaching, learning and scholarship.

I am dedicated and committed to be a fully engaged member of the NAOME team and to my continued efforts to support the growth and improvement of my college and our osteopathic profession. I have found this reflective process to be very productive and constructive. I believe have engaged the spirit and intent of the NAOME application process, and I proudly submit application for review for acceptance into the National Academy of Osteopathic Medical Educators.

Sincerely,
